The timeframe for the request was from January 20, 2017, to the date the search was conducted.

We conducted a search of the USAID Bureau for Global Health (GH) and the Bureau for Legislative and Public Affairs (LPA) for documents responsive to your client's request. This fifth interim response yielded a total of 345 pages. After careful review, it has been determined that 45 pages are releasable in their entirety. Additionally, 290 pages were determined to be outside the scope of the request.

The remaining 10 pages contained information that originated with the United States Department of State (DoS). Therefore, we have forwarded those 10 pages to DoS for further review and direct reply to you.

Please be advised that this is not our final response as we are still reviewing further records. There is no charge for this FOIA request.

If you have any questions about this FOIA request, please contact Assistant United States Attorney Marina Braswell at Marina.Braswell@usdoj.gov or at 202-252-2561.
